# About Us

Cockburn BARC is a vibrant and member-based community hub nestled in Yangebup, Western Australia offering a diverse mix of sport, recreation and social connection. Since opening its modern facility in 2018, we have two synthetic bowling greens (1 fully covered), 2 five-a-side soccer pitches, 4 padel courts and flexible indoor spaces for functions. Our venue also features a restaurant and a fully licensed bar with a pool table. Governed by an elected board and managed by a great team of staff, we provide great hospitality and service for your local community club.

At Cockburn BARC, whether you're here to bowl, eat, hosting an event or enjoying your sport, you'll find a welcoming local space to belong.

Your sponsorship will keep the Club growing and engaging with the local community.

# Thank You

Thank you for considering a partnership with Cockburn BARC. Your support helps us continue creating a welcoming, active, and connected community space for people of all ages. Every contribution — big or small — directly strengthens our programs, facilities, and local partnerships, allowing us to deliver meaningful experiences to our members and visitors.

We deeply value the businesses and individuals who choose to stand with us, and we are committed to ensuring your support is acknowledged, appreciated, and genuinely impactful. Together, we can continue building a vibrant community hub that everyone is proud to call their own.
